**KING COUNTY
LETTER OF SOLICITATION ADVERTISEMENT**

King County is requesting Proposal Submittals from firms qualified and interested in providing inventorying, surveying and sample noise testing services for King County International Airport's Sound Insulation program.

The Letter of Solicitation (LOS), all addenda and current document holder's list, are available on the internet at www.metrokc.gov/procurement/rfp_rfq_itb/default.aspx (click the "New" tab then click the "consultants" tab). The County will no longer mail, ship or fax an LOS or any addenda.

Interested firms *must* register with the County at time of download and ensure a valid contact email address is given. Notification of addenda will be sent to the registered email address. Failure to register will result in the proposer not being notified of any addenda, which may result in rejection of the proposal as non-responsive.

The estimated contract value is \$70,000. The County plans to issue one contract.

Contract Title: King County International Airport Sound Insulation Program

Number: P00017P06

Proposals Due: August 29, 2006

Time: 5:00 p.m.

Any firm failing to submit information in accordance with the procedures set forth in the LOS may not be considered responsive and may therefore be subject to disqualification by King County.

SUMMARY OF WORK: The selected consultant will conduct (1) an inventory and survey of all eligible residences within King County International Airport's 70 dB DNL (day night level) Noise Mitigation Boundary (NMB), and (2) sample noise testing of residential units using artificial noise to determine the number of homes qualified to receive sound insulation home improvements funded by the Federal Aviation Administration (FAA) and KCIA.

Refer to Appendix B of the LOS for full discussion of the application of the non-discrimination and affirmative action provisions to subconsulting opportunities and the other non-discrimination and affirmative action requirements with which the Consultant shall comply.

This contract is funded in part by a grant from the U.S. Department of Transportation, Federal Aviation Administration (DOT/FAA). The contract awarded through this solicitation will contain terms and conditions governing the administration of the Project as required by these federal funds.

In accordance with the requirements of the grant and with FAA's policy on the utilization of socially and economically disadvantaged individuals and disadvantaged business enterprises

(DBEs) in procurements under assistance programs, the Consultant shall comply with 46 CFR Part 26.

QUESTIONS: Questions concerning this solicitation should be directed to **Gib Myers, Contracts Specialist** at 206-684-2024, TTY Relay: 711. The Proposer may be requested to submit the question in writing. No verbal answers by County personnel will be binding on the County.

This information is available in alternate formats for individuals with disabilities upon advance request by calling 206-684-1327, TTY Relay: 711.
